MARRAKECH

1 DAY

PRICE: 83 Euros per person (20 persons minimum) with lunch and dinner

Marrakech is the second-oldest of the four Imperial cities of Morocco and still remains today the fascinating capital of the south bearing witness to the historical and cultural riches of the whole country. Marrakech is in the heart of the most beautiful palm grove in the south of Morocco. The Atlas mountain range dominates the city, hiding in its valleys some marvellous, restful spots. At the foot of the famous Koutoubia tower, the Djemaa El Fna square comes alive with merchants early in the morning, soon to be followed by acrobats, snake charmers and story tellers. The colourful and amazing markets make Marrakech one of the most attractive cities in the Kingdom. Marrakech still merits its name -Pearl of the South-
